## EDUCATIONAL PROGRAMS

PT the Clown is a highly enthusiastic professional clown who takes education seriously. As a former RCMP officer, she combines her experience and sense of fun to educate children about safety, self esteem, character building and anti-bullying.

Below is a description of four programs that are designed to educate children pre-K to Grade 6.

### NO GO YELL TELL

A safety program designed to educate students on the dangers of unsafe situations. PT the Clown uses magic to set the stage and then discusses with children each of the safety points. She also gives them an opportunity to act out situations through drama plays so that they understand the concepts on their terms.

**NO** - Say 'No' as loud as you can when you are in an unsafe situation

**GO** - Run away from the unsafe situation as fast as you can

**YELL** - Yell "Stranger, Stranger"

**TELL** - Tell a parent, teacher or other trusted adult about what happened.

This program can be presented in a classroom or gym forum and tailored for a 45 minute to 90 minute session depending the teacher's class time availability.

With follow up a week later to discuss how the practice worked for them, each student reports back to PT and receives a Shining Star card. They will have an opportunity to collect 8 stars from PT the Clown and receive a Graduating Certificate if they have collected all 8 stars

## **STOMP OUT BULLYING**

This is an educational program to engage students (K-6) in a non threatening environment to talk about BULLYING with PT the Clown and 'COOL' (Dog Puppet)

**"What is a Bully?"**

Someone who leaves others out on purpose

Someone who wants to harm others

Someone who says unkind things to others

**"Do I Ever Bully?"**

Do I hurt others by what I say?

Do I make others feel afraid?

Do I try to leave others out?

**"How Can I Stop a Bully?"**

I can walk away

I can tell an adult

I can be a friend to others

This program can be presented in a classroom or gym forum and tailored for a 45 minute to 90 minute session depending the teacher's class time availability.
